M4*6cm

Screwdriver--1 Pcs

Parts List

Note

1. Assemble the item on a soft, well-lit surface, such as cardboard or carpet.
2. Follow the assembly procedure using the provided illustrations.
3. Do not discard any packaging materials until assembly is complete.
4. Handle electrical wires and tools carefully to avoid damage or injury.
5. Before assembling the item, carefully read all provided instructions and check all parts and components.

1

1.Screw Tube-a into Base.

2

- 2.Pull the power cord out of tube-a, then pass it through tubes b and c respectively. Then insert tube-c into metal tube-b, and then insert metal tube-b into metal tube-a.

3

- 3.Use a screwdriver to install the screws on the tube, but not too tightly. After the tube is installed, prepare to install the Ring.

4

- 4.connect the pin header and female header, Insert swivel head into metal tube-c, and tighten screw (Figure A). After aligning the directions of all metal tubes, tighten screw (Figure B).

Important Safety Instruction

This is a portable luminaire. Before installing or removing the bulb, please turn off the power. Do not allow children to touch the lamp holder or bulb. Bulbs that have been on for a long time will be hot to the touch; please do not touch them.

220-240V a.c,50Hz LED; Max.36W ta:25°C

If the external flexible cable or cord this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
