Parts List

Note

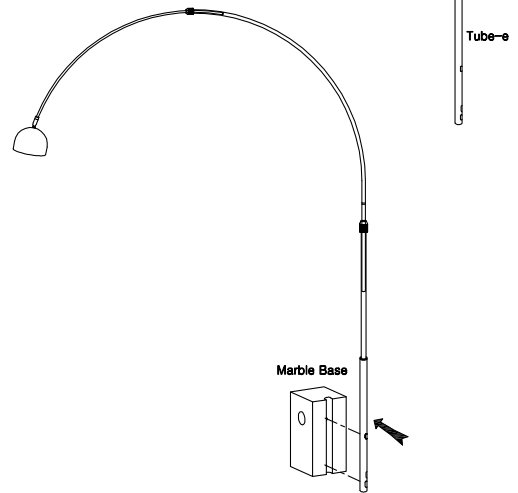

1. Assemble the item on a soft, well-lit surface, such as cardboard or carpet.
2. Follow the assembly procedure using the provided illustrations.
3. Do not discard any packaging materials until assembly is complete.
4. Handle electrical wires and tools carefully to avoid damage or injury.
5. Before assembling the item, carefully read all provided instructions and check all parts and components.

1

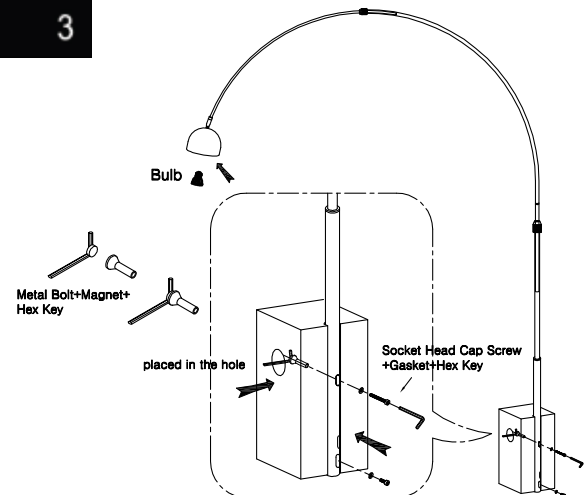

1. Insert tube-a into tube-b, screw the locking sleeve into tube-b, but not too tightly. Screw tube-c onto the tube-b. Screw tube-d onto the tube-e, insert tube-c into tube-d, screw the locking sleeve into tube-d, but not too tightly.

2

2. Place the lamp body into the marble base slot as shown in the diagram

3

3. As shown in the figure, magnet adsorbs metal bolt and hex key, and then is placed in the hole. Lock socket head cap screw+ gasket with the hex key. Readjust the direction and exposed length of the tube, then tighten the locking sleeve. Screw the bulb into socket (bulb not included).

Important Safety Instruction

This is a portable luminaire. Before installing or removing the bulb, please turn off the power. Do not allow children to touch the lamp holder or bulb. Bulbs that have been on for a long time will be hot to the touch; please do not touch them.

220-240V a.c, 50Hz LED; Max. 25W ta: 25°C

If the external flexible cable or cord this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
